

150 Shark Antenna

For VW/Skoda/Cupra/ID Models - TETRA / 5G / 2xWLAN-P and
active GPS / GLONASS / GALILEO

ANTENNA TYPE	<p>Roof mounted camouflage shark antenna for new models of VW, Seat and Skoda. Integrated $\frac{1}{4}$ Lambda TETRA, 5G, 2xWLAN-P and active GPS</p> <ul style="list-style-type: none"> * Design fits to all Volkswagen models and to other car manufacturer * Simple installation * Full range of mobile frequencies up to 5G * 2xWLAN-P * NON-CORROSIVE
